Education

Pune
2023-2024

RMD SINHGAD TECHNICAL INSTITUTE CAMPUS

Bachelor of Engineering (B.E.) IT

Academic Performance:

 -Semester 1 SGPA: 9.32

 - Semester 2 SGPA: 8.18

 - Semester 3 SGPA: 7.6

 - Semester 4 SGPA: 8.09

Projects

Movie Ticket Management System

- **Description:** A desktop-based application that allows users to browse movies, select seats, book tickets, and complete payments.

- **Role & Achievements:** Developed the entire application using Java Swing, handled seat selection and movie listing UI, integrated MySQL database for bookings and payments, and implemented user authentication.

- **Technologies Used:** Java, Swing, MySQL, JDBC

JobSpot

- **Description:** JobSpot is a web-based job portal designed to connect job seekers with recruiters. It provides features such as job listings, user-friendly navigation, and a responsive interface, making it easier for candidates to explore opportunities and for employers to post jobs.

- **Role:** Designed and developed the frontend of the application. Implemented responsive layouts for seamless usage across devices. Integrated interactive features to enhance user experience.

- **Achievements:** Successfully created a professional and easy-to-navigate job portal. Improved UI/UX to make job searching more intuitive. Deployed the project on GitHub Pages for live access.

- **Technologies Used:** HTML, CSS, JavaScript for frontend development. Bootstrap for responsive design. GitHub Pages for deployment.

Certification

Introduction to HTML

(June 2025)

- **Description**: Learned HTML structure, tags, forms, and tables.
- **Platform:** Infosys Springboard

Basics of Python

(November 2023)

- **Description**: Covered foundational Python programming including variables, loops, conditionals, and functions
- **Platform**: Infosys Springboard

Additional

Technical Skills: HTML, CSS, JavaScript, Reactjs, Java, Basics of Python, Responsive Web Design.
